PROCEEDINGS

Dated 21st February 1905.

No. 3052-5

Passing orders in the matter of the restoration of the Inam village of Sajjankere in the Chitaldrug Taluk, endowed to the Ahmed Shah Gumbuz at Chitaldrug.

BP—1-3-05—250

Read the following :—

(i) Government Proceedings No. 899—R. F. 271-92, dated 20th August 1901, directing that the Inam village of Sajjankere in the Chitaldrug Taluk granted to the Ahmed Shah Gumbuz at Chitaldrug, be attached and taken under the management of Government.

(ii) Memorial dated 23rd November 1901, from Sada Bahar Shah and others, praying that the Inam village may be released from attachment and restored to their possession.

(iii) Government Proceedings No. 960-1—Muz. F. 16-95, dated 31st December 1901, directing that the Ahmed Shah Gumbuz at Chitaldrug and the Inam village attached thereto be taken over under Government management in the Muzrai Department.

(iv) Memorial dated 29th August 1904, from Syed Ali Sab and others, praying for the restoration of the Inam village to their possession.

(v) The following letter No. 496, dated 21st December 1902, from the Deputy Commissioner of the Chitaldrug District :—

"With reference to your docket No. 2770—R. F. 271-92, dated 21st December 1901, calling for report on the petition of Sada Bahar Shah and seven others, Inamdars of Sajjankere and Rangapura in the Chitaldrug Taluk, praying that their villages may be released from attachment and restored to their possession, I have the honor to state that the Sajjankere village with its hamlet of Rangapura was originally granted as Inam to the Darga and Gumbuz of Ahmed Shah at Chitaldrug for the maintenance of lights and fatya etc., at the Gumbuz; but the petitioners claim the villages as their personal Inam, granted to their forefathers for offering prayers in the Darga for the prosperity of the sovereign. This claim is not sustainable as the Inam title-deed clearly shows that the Inam was granted to the managers, for the time being, of the Gumbuz for its maintenance.

2. The circumstances which necessitated the Inam village being placed under Government management have been fully explained in this office letter No. 943, dated 6th May 1901. The payment of instalments in discharge of the loan granted under the Land Improvement Regulation to Gulbarsha for the restoration of a tank in the village, had been irregular and unpunctual from the commencement, and it was only after the village was attached and taken under the management of Government under the authority of Proceedings No. 899—R. F. 271-92, dated 20th August 1901, that the petitioners came forward and offered to pay up the interest amount due from them on overdue instalments as well as the amount of instalment due in June 1901. In October 1901, a sum of Rs. 331-8-10 was produced by them on account of the instalment for June 1901 and the interest on arrears of previous instalments, and it has been duly credited to the Treasury.

3. The performance of religious service at the Gumbuz and the maintenance of lights and the feeding of fakirs in the Gumbuz have been very unsatisfactory. Ashrufsha, one of the petitioners, has, in a statement made by him on 2nd April 1900 before the Amildar of Chitaldrug, admitted that the performance of "Urus" had been discontinued for the past three years after the death of his brother.

4. Concerning the general character and conduct of the petitioners towards the raiyats of the village, I beg to state that complaints, both oral and written, are reported to have been made to the Amildar by the raiyats as to the high-handedness of some of the petitioners, especially of one Abdul Razak, in unreasonably ejecting the raiyats from their lands, failing to give receipts for the money received from them and causing annoyance to them in many respects.

5. For the above reasons and owing to the persistent failure of the managers of the institution to keep regular accounts of the income and expenditure of the institution, the Inam village was taken under Government management under the sanction conveyed in Proceedings No 899 —R. F. 271-92, dated 20th August 1901. The Jamabandi of the village for the year 1901-02 was conducted by the Amildar and the kandayam due by the raiyats was recovered placed in deposit in the Taluk Treasury. The receipts amounted to Rs. 821-10-0 and the ture to Rs. 329-10-8 as detailed below :—

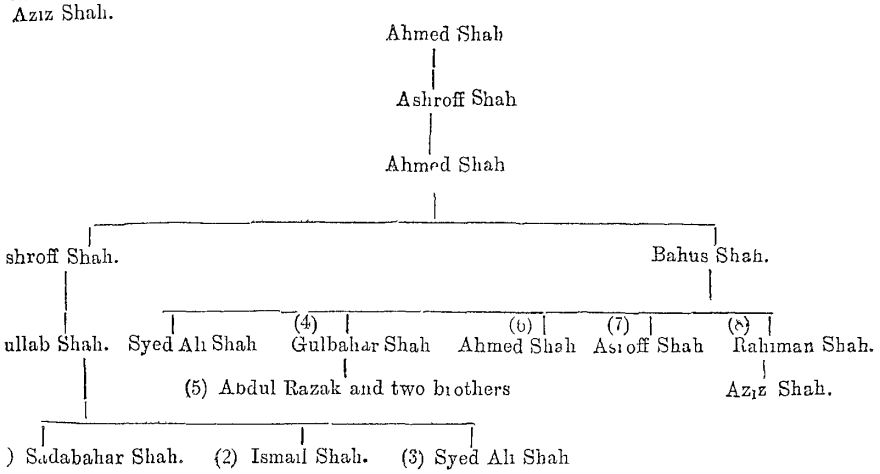
Rs.	a.	p.	
289	0	8	Instalment of loan due for 1901-02 under the Land Improvement Act.
40	10	0	Local cess on the Inam village for 1901-02.
329	10	8	

is a sum of Rs. 491-15-4 at present held in deposit in the Taluk Treasury to the the Gumbuz.

total Jamabandi of the Inam village for the year 1901-02 stood at Rs. 980-3-3. assessed at Rs. 118-7-6 are held by the petitioners in their own name. This not yet been recovered from them.

7 The present surviving representatives of the original manager or founder of the institution, Ahmed Shah, are eight in number Their names are noted in the margin, and the following genealogical tree illustrates their descent from Ahmed Shah

Ashroff Shah
Sadabahar Shah
Ahmed Shah
Ismail Shah
Syed Ali Shah
Syed Ali Shah
Abdul Razak and two brothers
Aziz Shah.



8. When the Inam village was under the management of the petitioners, the receipts were ared by them in the following proportions —

Ashroff Shah 1/10	Sadabaharshah 1/6	Ahmed Shah 1/10
Ismail Shah 1/6	Syed Ali Shah 1/6	Syed Ali Shah 1/10
Abdul Razak and two brothers 1/10		Aziz Shah 1/10

9. One of the petitioners, Ashroff Shah, was recognized as the general manager while mail Shah, Syed Ali and Abdul Razak lived in the Inam village and attended to cultivation, c., there. There was no tasdik patti and no fixed allotment of funds for "Urus" feeding of kirs and other charities for which the Inam is intended

10. I beg to submit the following proposals for the future management of the Darga and umbuz .—

(1) The village to be restored to the petitioners who should select a competent man from nong themselves to be the manager, subject to the Deputy Commissioner's approval

(2) The manager to look to the affairs of the institution and the village with the assistance f the other shareholders.

(3) Taking the revenue of the village at Rs 950, a sum of Rs 671-10-8 should be deosited in the Taluk Treasury to meet the charges noted below

	Rs.	a	p.
(i) Yearly instalments towards the principal and interest in repayment of loan granted under the Land Improvement Act	289	0	8

(4) At the beginning of each month, the manager to draw from the Taluk Treasury the money required for the feeding of the fakirs and for daily "chirakh" at the rate of Rs. 12-8-0 per mensem, and keep accounts of expenditure.

(5) For the "Urus" and the Depotsava, the allotted amount to be drawn by the manager on those special occasions and accounted for by him.

(6) The amount allotted for repairs would be accumulated in the Treasury and drawn upon whenever required.

(7) The balance of Rs. 279-0-0 to be shared by the shareholders named in para 8 above in the proportions therein mentioned in consideration of one of them by turns, either in person or by agent, doing the duties of Mouazin and Paish Imam and arranging for the building being kept clean.

(8) The accounts of expenditure should be open to inspection by Government Officers.

11. The loan advanced by Government will be fully discharged in the year 1909, after which the sum of Rs. 289-0-8 will also be available for improving the usefulness of the institution and the remuneration of the shareholders.

12. The Inam village has not yet been surveyed in detail. Its revenue would be improved if the Survey Settlement were introduced into it."

No. 3052-5, DATED BANGALORE, 21ST FEBRUARY 1905.

ORDER THEREON.—The village of Sajjankere in the Chitaldrug Taluk is a Devadaya Inam granted for the support of the "Deepam" and "Fatya," etc., in the Ahmed Shah Gumbuz at Chitaldrug. Under the authority of Government Proceedings No. 13344—R. 1603, dated 28th January 1893, a loan of Rs. 3,000, repayable in fifteen annual instalments commencing from June 1895 was advanced under the Land Improvement Regulation, IV of 1890, to the Manager Gulbahar Shah and others, towards the restoration of a breached tank for the benefit of the lands in the Inam village. Latterly, the managers having rendered themselves very unpopular with the raiyats of the village by their oppressive conduct towards them, and having also refused to pay the interest on the overdue instalments, the Government in their orders No. R. 899—R. F. 271-92, dated 20th August 1901, directed the village to be attached and taken under Government management. Further, the managers having failed to satisfactorily perform the services, etc., in the institution and owing to their default to keep regular accounts after being clearly warned, the Government in the Muzrai Department in their Proceedings of the 31st December 1901 read above, directed that the institution and its endowment be taken over under their management. Sadar Bahar Shah and seven others have appealed to Government representing that the religious services are being regularly performed and that neither any instalment nor any interest is now in arrears. They pray that the Inam village may be released from attachment and restored to their possession. With reference to this, the Deputy Commissioner has submitted a detailed report in his letter of the 21st December 1902 read above.

2. The Government observe that, while the Deputy Commissioner reports that the managers of the Gumbuz were irregular in paying the instalments due to Government on account of the loan, that the services in the Gumbuz were not properly performed and that the village was mismanaged, and while he recommends a scale of payments to be made in future, it is not understood how he in the same breath recommends the restoration of the village to the managers of the Gumbuz. Owing to their irregularities the Inam village was taken over under Government management and if it is again restored, the Government see no guarantee that the affairs will not again fall into disorder as before. The Government therefore consider that it is not desirable to restore the Inam village to the memorialists, at least until the Government loan is fully liquidated.

3. As recommended by the Deputy Commissioner in his letter read above, the Government are pleased to sanction the scale of payments as noted in the margin. As suggested by the Deputy Commissioner, the money required for the feeding of fakirs and for daily chirakh aggregating Rs. 12-8-0 per mensem may be drawn from the Taluk Treasury by the manager, as also the amounts sanctioned for the Urus and Dipotsava whenever they are required, and properly accounted for by him. The appointment of a manager from among the hissedars is left to the Deputy Commissioner.

(9) For daily chirakh at Rs. 2-8 0 per mensem ...	30	0	0

4. Taking the average annual income of the Inam village to be Rs. 950, a sum of Rs. 279 remains over, after the payments sanctioned above are made. The Deputy Commissioner proposes that the whole of this balance should be distributed among the shareholders connected with the Gumbuz in the manner suggested in para 10 (7) of his letter cited above. The proposal is sanctioned.

5. The village being under the management of Government, the Deputy Commissioner in the Muzrai Department is requested to see that the instalments due to Government on account of the loan are duly paid.

6. The Government are further pleased to sanction the introduction of Survey and Settlement into the Inam village. The Survey and Settlement Commissioner will take needful steps in the matter in communication with the Deputy Commissioner.

MUZARAYI.

PROCEEDINGS.

Dated 14th December 1892.

No. 233-42
Muz. I 102 92.

Laying down rules for the succession of Gurus to Matts enjoying Government grants in land or money or honors

Mysore Govt. C. Press, Bangalore.—26-12-92—200

Proceedings of the Government of His Highness the Maharaja of Mysore, (Muzarayi),—dated 14th December 1892.

No. 233-42—Muz. F. 102-92, dated Bangalore, 14th December 1892.

Order.—It has been brought to notice that the established custom of obtaining His Highness the Maharaja's previous consent to nomination of successors to religious Matts, within the State, has not been followed in recent years in a few individual instances.

2. This custom which is an ancient one was followed even during the British administration of the State by reporting every succession to a Matt for the orders of the Chief Commissioner.

3. The omission to report in a few cases has led to the succession to the Guruship of persons, who from their antecedents or lack of learning and qualification do not always command the esteem and regard of their disciples.

4. The Government of His Highness the Maharaja are of opinion that it will advance the public good to enforce due observance of the custom as regards those Matts which enjoy Government grants.

5. It is therefore ordered that the following Rules on the subject will be communicated to all the Matts in the State:—

RULES.

I. Every succession to a Matt enjoying Government grants in land or money or honors granted by the sovereign, should receive the approval of His Highness the Maharaja. Such approval should ordinarily be obtained by previous application to His Highness in the Muzarayi Department.

II. To provide as far as possible against the contingency of a Guru dying suddenly he may as an act of ordinary prudence fix upon one or more eligible persons for an eventual selection by himself as his successor and obtain His Highness' opinion as to the eligibility of such persons. The Guru may, then in due time, select one of them to succeed him.

III. Should the Guru fail to obtain His Highness' approval to an eligible candidate or candidates and should he on the sudden approach of death or fear of death select a successor and give the *A'sramam* to him, the recognition of his succession will, for the purpose of enabling him to enjoy all State grants in land or money, rest with His Highness, who, in exercising his discretion in the matter, will be guided by the opinion of the community and the personal qualification of the successor.

IV. Should a Guru die without giving *A'sramam* to a successor him surviving, then a proper successor shall be selected by the community interested, with the consent of His Highness.

V. Non-recognition of a successor by His Highness will involve the resumption of all State grants in land or money and the customary *Mariathés* and *Birùthus* granted or enjoyed under authority from the sovereign.

GOVERNMENT OF MYSORE

MUZRAI

PROCEEDINGS

Dated 24th November 1902

No. 1159 / Muz. F. 33-01

Recognizing the succession of Syed Mrutyuza Sha Khadri (son of Syed Meeran Sha Khadri) as Sajjade or Manager of Guru Dattathreya Bababudanswami's Darga at Chikmagalur.

SBP—8-12-02—200

Muzrai, dated 24th November 1902.

that Order of Government No. 233-42—Muz F 102-92 of the 14th December 1892, only governs successions to the Hindu Matts and not to Mahomedan Institutions The interpretation of the petitioner cannot under any circumstances hold good The Dargа has extensive inams conferred upon it The income derived from the above, according to the terms of the grant, ought to be applied to the maintenance of the institution and for charitable and religious uses The grant of the inam is subject to the due fulfilment of the above conditions and where failure or mismanagement is apparent, the inams are either resumed or the management taken over into the hands of Government. As an instance, may be quoted the case of the Dargа at Chitaldrug taken over under Government management by Government Order No 960 1—Muz F. 16-95 of the 31st December 1901. It is clear that Government have therefore to guard the interests of the institution, and consequently important changes therein ought to meet with the approval of Government Of course the Proceedings of 1892 does not prevent the presiding members of institutions from electing and nominating one or more competent persons as successors to themselves with the approval of His Highness the Maharaja. Prior to this a representation was made to Government in 1887 to confer on Sajjade elect all honors to which the late Khan Bahadur Gouse Sha Khadri was entitled, but the Government declined to accede to the representation, as it was not considered practicable to extend the honors and prerogatives to Sajjade elect until he actually succeeded to the office (*vide* No. 1366, dated 5th September 1887).

7. Taking all these into consideration and for reasons stated in para 5 *supra*, I am of opinion that the Sajjade elect may be approved of, as successor to the late Khan Bahadur Gouse Sha Khadri, subject to his executing an agreement to the surviving hakdars in the terms of the one of 1854 executed by his predecessor All the objections raised by the other hakdars are founded, I have every reason to think on their desire to participate in the income and profits of the Dargа. As a matter of fact they have given statements before the Amildar that they have no objection to the succession of the Sajjade elect provided their claims to share in the income are recognized and an agreement executed by the successor to the late head of the institution. So practically I am of opinion that the succession of the present Sajjade elect may be approved. All the previous records and proceedings leave no room for doubt that the present Sajjade elect, Mrutyuza Sha Khadri, was thought of as the intended successor to the institution."

No. 1159—Muz. F. 33-01, dated Bangalore, 24th November 1902.

Order thereon.—The Guru Dattathreya Bababudanswami's Dargа on the Bababudan Hills at Chikmagalur is a Muzrai Institution endowed with extensive inam lands from the State. It is reported that Khan Bahadur Syed Gouse Sha Khadri, who was the Sajjade or Manager of the Dargа, died on the 17th September 1901, having previously adopted his brother's grandson Syed Mrutyuza Sha Khadri to succeed him. The nomination of this Syed Mrutyuza Sha Khadri to the management of Guru Dattathreya Bababudanswami's Dargа was sanctioned in Order No. 1366, dated 6th September 1887, read above, by the Government of His Highness the late Maharaja during the life-time of the former Sajjade or Manager, Khan Bahadur Syed Gouse Sha Khadri. He was also elected at a meeting of the community held in 1894, and the Deputy Commissioner of the Kadur District, in his letter read above, recommends his nomination upon a certain condition, referred to later on, and states that he is duly qualified for the office. Objections have, however, been raised by certain parties, to the effect that they are entitled to participate in the income from the inam lands endowed to the institution, on the strength of a deed of agreement executed in 1854 by the late Sajjade Khan Bahadur Syed Gouse Sha Khadri agreeing to divide among them the net savings of the institution every year. The Deputy Commissioner states that the nomination may be approved on the condition that the nominee executes a document similar to what was executed in 1854. The Government cannot recognize such an agreement. The inams have been granted for the benefit of the institution and are enjoyed by the manager for the time being for rendering certain specific services therein. The division of the profits among several persons as sharers is not in fulfilment of the object of the Devadaya grant, and Government cannot give their countenance to it.

2. In these circumstances, the Government of His Highness the Maharaja are pleased to recognize the succession of Syed Mrutyuza Sha Khadri (son of Syed Meeran Sha Khadri) as Sajjade or Manager of Guru Dattathreya Bababudanswami's Dargа, without the condition suggested by the Deputy Commissioner.

Proceedings of the Government of His Highness the Maharaja of Mysore,

Read the following —

(i) The Order No. 1366, dated 6th September 1887, directing that Government [illegible] recognize the succession to the management of Guru Dattathreya Bababudan-[illegible] of Syed Mrutyuza Sha Khadri, whom the late Syed Gows Sha Khadri, Khan Bahadur, proposed to adopt

(ii) Petition Registered No. 320, dated 23rd September 1901, from Syed Ali Hussein Sha Khadri Agent of the Dattathreya Peeta, reporting the death of Sajjade or Manager Syed Gouse Sha Khadri, Khan Bahadur.

and (iii) The following letter No 1450, dated 15th March 1902, from the Deputy Commissioner, Kadur District, reporting on the above :—

"With reference to your docket No. 657 of the 15th November 1901, calling for a report on certain points in the matter of a petition from Shah Hussein Sha Khadri, agent of the Dattatherya Peeta Bababudan Darga in the Chikmagalur Taluk, anent the succession of Syed Mrutyuza Sha Khadri, to the place of Khan Bahadur Gowse Sha Khadri (deceased), I have the honor to state as follows —

1 The late Sajjade Khan Bahadur Gouse Sha Khadri died at Bangalore on the 17th September 1901

2 The said Khan Bahadur Gouse Sha Khadri is stated to be entitled to the insignia mentioned in the list presented by the Agent under date 23rd December 1901, (vide paper No. 17 in the accompanying file I of the vernacular papers). He had the title of Khan Bahadur conferred upon him by His Excellency the Viceroy on the occasion of the late Her Majesty's proclamation as Empress of India. He was also personally exempt from the operations of the provisions of the Arms Regulation and from personally appearing before Courts of Law.

3. The Sajjade elect (Syed Mrutyuza Sha Khadri) is stated to be aged about 32 years.

4 With regard to his qualifications to succeed to the vacant place of the late Gouse Sha Khadri, the statements recorded by the Amildar go to show that the Sajjade elect is well versed in Persian and Arabic, has studied Khoran and is in all respects competent to hold the office. The only allegation made against him was that his moral character was not above suspicion. A petition in the names of the holders of lands in the Suraguppe inam village attached to the Darga and headed by one Ajjegauda was received in this office, wherein some allegations were made about the improper conduct of the Sajjade elect with the daughter of a certain Moulvi living in the Suraguppe village. This is however flatly denied by the woman's brother himself, under whose protection she lives. Beyond the statement of the said Ajjegauda there is nothing forthcoming to raise any suspicion about the moral character of the Sajjade elect. Even the takrardars to the hak have made no such imputation.

5 The consent of disciples does not seem to be necessary in effecting a succession For the resolution of the alleged recognition of the Sajjade elect by the late Khan Bahadur Gouse Sha Khadri, only the leading members of different communities, including some Mahomedans in and about Chikmagalur, were summoned, and in their presence a resolution was passed on the 4th November 1894. Neither the men then present, some of whom have been now examined by the Amildar, nor the two Mahomedans of Aldur, who styled themselves as disciples, have any objection to the succession by the Sajjade elect. The agent (petitioner) too has deposed that the consent of disciples is entirely immaterial. Further, the objection brought forward is only by the surviving members of the family to which the late Khan Bahadur Gouse Sha Khadri and the Sajjade elect belong. In their statements they maintain that they all have a joint hak to the place of the Sajjade at the Darga and consequently have a right to equally share profits from the division of the residue arising from the Inam lands and other sources of income to the Darga, after defraying the lawful charitable and religious expenses. These hakdars base their claim on an agreement executed to the surviving hakdars of the family by the late Khan Bahadur Gouse Sha Khadri in 1854. According to this it will appear that the several hakdars have powers to elect a competent person from amongst them upon his executing an agreement in the terms above quoted. The agent (petitioner) asserts that succession is not conditional with respect to executing any agreement, but neither he nor any body else interested in the succession of the Sajjade elect has denied or disproved the contents of the agreement. The statements now recorded by the Amildar go to show that in the election of 1894 the claimants objected. Further, the agreement relied on by the claimants have been admitted in evidence and is observed to have been impounded by the Collector of Stamps (Mr. Lindsay) in 1866.

6. Referring to the last para of the docket under reply, I beg to say that previous sanction of Government for the election has not been obtained. In the notice calling for a meeting in 1894 it is stated that the sanction of His Highness the Maharaja of Mysore was obtained, but neither such authority was referred to while then arriving at a decision nor was any produced in the course of the present enquiry. Again the statement of Gauzudin Sha Khadri, also an agent recognized by Government and one treated with the distinction of being exempt from the operations of the provisions of the Arms Regulation, leads to the conclusion that no sanction was obtained, for he states that ceremonies required to be subsequent to Government sanction have not yet taken place. Respected Sir,

The humble petition of
Syed Gayasudeen Shakadri
Agent of the Sree Guru Datta.
Treya Baba Buden Durga Chich
Nagalur Taluq respectfully shews,

That the several haddars
and myself protested against the
unconditional appointment by
Government of Syed Murtuza
Shakadri as Sajade of the said
Institution.

That these petitions
were with certain observations
referred to the Deputy Commissr
Kadur district for enquiry & report

That the said enquiry is
conducted by Vice-President &
Commissioner [illegible]

in the matter.

That without the settlement of claims we are not allowed to settle the institution is managed

In the interests of the good management of the Institution I beg that you will be pleased to call for a report if not already received, hear us and favor us with orders at an early date

For which act of kindness I shall ever pray.

I beg to remain
